ISF finding IEDs in Baqubah

BAQUBAH, Iraq – Iraqi Security Forces located five separate improvised explosive devices in the area August 5, according to a multinational forces report.

Iraqi Army soldiers identified a suspected IED on a roadway and immediately secured the area. An Iraqi explosive ordnance disposal team confirmed the IED and destroyed it in place.

Also in Baqubah, Iraqi Police discovered four separate IEDs consisting of 155 mm artillery rounds. The IEDs were removed by an Iraqi EOD team and transported to a disposal facility.

No injuries or damages were reported during the operations.
